3 plots for sale in a peaceful secluded area near the village of Drapanos, offering stunning views over the sea!

These 3 north-east facing building plots are located 3.5km from the village of Drapanos down a winding asphalted road.

They sit on the side of a hill one under the other. All plots are square shaped which makes it easier to comply with building regulations (the building line is min. 15m from the border).

The access is via an asphalted road and the electricity is nearby. The water supply needs to be brought from Drapanos 3.5km away.

The views across the sea are amazing and the area is extremely peaceful. The asphalted road stops a few km further.

Drapanos is a beautiful Cretan traditional village within easy reach of Vamos, Kalyves and Plaka with all necessary amenities. The village offers a couple local taverns and a well stocked minimarket.

The beach resort of Almyrida is a 15min drive from the plots and Chania international airport less than one hour.

If you are looking for a peaceful setting in the Cretan countryside, this is the place for you.
