PLOT SIZE: 2,289m²

BUILDS: 200m²

Wonderful plot for sale in a serene location with great sea and hillside views near Stalos village.

The plot has a slight slope which secures the views of the Aegean Sea and is planted with a number of olive trees which provide the owner with high quality olive oil.

The wonderful views extend from the sea until the surrounding hills and the village of upper Stalos.

Water and electricity are found on the neighboring plot.

Stalos village is separated in upper and lower. The lower part of the village is beachside and very touristy, offering during the summer all types of shops, restaurants, beach bars and more. The upper part of the village is more traditional and stays open throughout the winter. It has a couple of very good restaurants and a mini market for every day amenities.

Stalos beach is a beautiful sandy beach which spreads all the way until Kolymbari.

The historic city center of Chania is just a 20 minute drive, while the airport is a 35 minute drive.

A plot ideal for nature lovers, surrounded by greenery and olive groves, with unobstructed sea views.
