HOUSE SIZE: 170m²

LAND SIZE: 654m²

For sale: new construction project consisting of 5 luxury villas of unique aesthetics. The project includes two single storey homes with private pool and three two-storey properties, each with a private swimming pool and a basement.

The detached residences come with spacious plots, parking spots, solar panel/photovoltaic installation and private swimming pools. They all feature a combination of stone, glass and coated surfaces, with large openings and comfortable indoor and outdoor areas.

These villas which are cleverly designed with modern lines and built with superior quality building materials, are positioned at just 200 meters from the beach and at 4km from Platanias, the most popular tourist resort in western Crete.

Apart from their unique aesthetics, the A++ rated energy efficient homes will be built using modern technological solutions, such as independent heat pumps combined with slim-line floor fan coils, aluminum window frames with thermal break and energy glazing and solar panels connected to the power distribution network via Net Metering.

Villa Alcmene is a two storey property, where on the ground floor, one can find 2 bedrooms, 2 bathrooms, a living room and the kitchen area.

At the lower level there is one bedroom, one bath plus an extra room, which can be used as game room, gym room, storage room or anything else. This property is situated at the front of the development.

Construction on Alcmene has not started yet, but permits etc are in place and building can start as soon as the sale is concluded. Delivery one year from the date of the sales agreement.

THE AREA

Pyrgos is a quiet village between Maleme and Kontomari (west of Chania). It is within easy walking distance of the beach, shops and local bus route, and is only a 20 minute drive to Chania.

Close to the airport, highway and local resorts this lovely apartment is the perfect holiday home from home.

Maleme is a lively village and has all types of amenities to offer such as restaurants & bars, super market, mini market, pharmacy, vet clinic, shops, local bus transportation and many more.

Everything is within easy walking distance from the property.

A well-equipped, high quality property, just 200m the beach!
